

WELCOME

This directory includes a listing of contracted healthcare providers participating in Sierra Health and Life Insurance Company (SHL) PPO plans in your area. Our managed care PPO plans have been designed to provide competitive levels of benefit coverage and to be cost effective for you and your family.

To maximize your benefits under the SHL PPO plans, you are encouraged to:

- use contracted Plan Providers, (though you do **NOT** need to select a Primary Care Physician);
- Use providers from this list to obtain covered healthcare services;
- Carefully review your SHL plan benefit materials for requirements regarding Prior Authorization, covered services, limitations and exclusions;
- Contact our SHL Member Services Department at (800) 888-2264, to check the status of Prior Authorization determinations;
- Use SHL plan urgent care centers or physicians with extended office hours for urgent and non-emergency after-hours care.

This SHL provider directory lists the names and addresses of all contracted plan physicians by specialty, as well contracted hospitals, and pharmacies. Where applicable, service information relating to a physician or provider's practice has been noted following his/her name. (For example, *Adults Only*.)

Physician Extenders (eg: P.A., P.A.C., A.P.N., P.N.P.) are licensed as General Practice providers. Although some may have additional training, the specialty they are listed under reflects the licensed specialty of their supervising physician.

Changes to information contained in this directory may occur because of additions, address changes or changes in practice arrangements. Be sure that you confirm the contracted status of a provider listed in this directory before receiving services. Not all providers at a plan facility (such as Emergency Room physicians) may be contracted as Plan Providers with SHL. Whenever possible, please remember to confirm the contracted status of your provider before receiving services. This can usually be done when you make your appointment.

If you need additional information or assistance, call the SHL Member Services Department's toll-free number, (800) 888-2264. In Las Vegas call 242-7700, from 8 a.m. to 5 p.m., Monday through Friday.

Participating Providers and Facilities are independent contractors solely for any liabilities, professional or otherwise, arising from his/her or its acts or omissions. As with any directory, frequent changes occur. Sierra Health and Life Insurance Company, Inc. is not responsible for inadvertent errors or omissions, and no assurance can be given as to the complete accuracy of this provider list.

SIERRA HEALTH-CARE OPTIONS, INC.

WELCOME

Sierra Healthcare Options, Inc.'s goal is to provide you with the highest quality medical care in the least restrictive and most convenient setting possible.

To gain the most from the health benefit package your employer has provided, please read carefully the materials provided by your benefits office. **It is important that you are aware of the requirements of your plan regarding referrals and Prior Authorization, as well as the limitations of your coverage.**

In addition, the following tips will help make your visit to Sierra Healthcare Options, Inc. providers a smoother process:

1. Use the providers from this directory and review your plan materials regarding Prior Authorization.
2. When visiting a physician or other provider, always carry your insurance card and present it to the receptionist.
3. Be prepared to pay your copayment or coinsurance at the time of service.
4. Make every effort to schedule needed appointments during regular office hours. If you are unable to do so, using an Urgent Care Center whenever possible is generally more cost-effective than using the Emergency Room.

This directory lists the name and address of all contracted Plan Providers by specialty; contracted hospitals; and pharmacies. Where applicable, service information relating to a physician or provider's practice has been noted following his/her name (for example, *Adults Only*).

Physician Extenders (eg: P.A., P.A.C., A.P.N. P.N.P.) are licensed as General Practice providers. Although some may have additional training, the specialty they are listed under reflects the licensed specialty of their supervising physician.

As you can appreciate, changes to information contained in this directory may occur because of provider additions, address changes, or changes in practice arrangements. Not all providers at a plan facility (for example, Emergency Room Physicians) may be contracted as Plan Providers. Be sure to confirm the Plan Provider's status before receiving services. This can be done when you schedule your appointment.

If you have questions regarding the participation status of any physician, Prior Authorization requirements, Claim processing, or if you need additional information or assistance; please call the telephone number on the back of your insurance card.
